What is your knowledge of and level of participation in LWML to date?		
Why do you desire to be a Young Woman Representative to the District?		
What groups/activities have you been active in at church?		
The convention is an interesting and spiritually inspiring event. It is also a working session of the LWML NJ District and it is important that you attend all sessions of the convention, if possible. Understanding all of this, can you willingly accept participating in the full scope of the convention?		
We ask that you have someone who knows you well (perhaps the person who encouraged you to apply) list their name and relationship to you (ie. Friend, society president, etc) and answer the question: "Why do you feel this individual would make a good YWR?"
