

LWML Volunteer Questionnaire

To determine the skills and talents which God has bestowed on those who wish to volunteer, you may use special "Gifts and Talents" inventories that are available on various websites. Or simply ask the volunteer about her interests and past experiences. Below are some questions to help you invite volunteers to join your team.

1. What are your gifts and talents?
2. What do you like to do? What is your passion?
3. List past volunteer involvement and projects in which you've participated as a volunteer.
4. Are there things you'd like to contribute to the organization that you've never been asked to do?
5. Would you like to have more, less, or different involvement than you've had in the past?
6. What is your vision for serving the Lord through this group?
7. What is your major concern for this group? How might this be addressed?

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms (1 Peter 4:10 NIV).
