## Goahead Mission is ..

Our mission name, Goahead, carries a positive, empowering meaning. 'Goo' in Korean means orphan, and their promising leadership role is represented in the word 'head'. As such, the mission's objective is to support and develop our orphaned children to become effective leaders in our society.

## What the Bible says about orphans...

The meaning of an orphan in the original Greek refers to those without even a single parent. The Bible refers to orphans as those who have "no helper," (Job 29:12), and God instructs us to visit orphans (James 1:27), to do no harm (Exodus 22:22), and to make provisions for orphans (Deuteronomy 24:19). Moreover, the living God declares that He is "a father of the fatherless," (Psalms 68:5)

In a spiritual sense, those who are lost, those who have yet to accept Christ, are spiritual orphans to Him. In the way He cares for the spiritually lost world, our society needs to care for the orphans with special attention. In particular, we who love the Lord and serve Him must care for and share with these close neighbors of ours,
