Can you help us to provide items for the LCMS NJ District Disaster Response Team Flood Clean-up Buckets?

A Thrivent Action Grant will provide \$250 towards these items. But we need your help also! We need help to provide the supplies for the buckets. How many buckets can we fill? 20? 30? 40? Or more! With your help we can!

We need these items:

- **Pine Sol (40 oz. size)** cost about \$9.00
- **Clorox (121 oz. or Gallon size)** cost \$7.00-9.00

Spread the word!

Collect these items at your church.

Bring the items with you to:
